

Dear Friend of the Children's Hospital,

The Children's Hospital Guild of Manitoba is delighted to present our annual Fashion Show and luncheon at **The Fort Garry Hotel on October 25, 2025.**

Since 1971, with incredible community support, the Children's Hospital Foundation of Manitoba has raised funds to help sick and injured children of Manitoba, Northwestern Ontario, and Nunavut. The Foundation is dedicated to ensuring that every child treated has the best care possible and benefits from leading-edge research at the Children's Hospital Research Institute of Manitoba.

The Guild supports the Foundation's mission to help sick and injured children in our community by funding research, medical equipment, and innovative programs. Over the years the Guild's Fashion Show has raised more than \$700,000 for children in the hospital.

The Guild would like to personally invite you to help make an impact on families in the hospital by donating a prize for this year's event. Generous donations from our community allow us to offer an auction adding to total funds raised.

This year we are committed to supporting child health research at Children's Hospital Research Institute of Manitoba (CHRIM). The funding will provide researchers and their trainees with additional resources to discover medical breakthroughs and provide hope to children and their families.

A tax deductible receipt can be made upon request. Our charitable business number is # 83058 1880 RR 0001.

Thank you for your consideration.
With gratitude

Pattie Moore
